

Last updated: October 2025

Name: Hamed Zartab

Address: No 4- Boostan 7 Sharghi St- Pasdaran Ave- Tehran 1665738416, Iran

Cell phone: +989123897433

E-mail: hzartabmd@gmail.com

Current positions

- Assistant Professor of Dermatology and Research Deputy Member at Center for Research & Training in Skin Diseases & Leprosy (CRTSDL), Tehran University of Medical Sciences, Tehran, Iran
- Practicing dermatologist and dermatosurgeon

Education

2022 Sep **Board-certified Dermatologist**

2018- 2022 Dermatology Residency **Resident of Dermatology- Kerman University of Medical Sciences**

2013-2014 Research Scholar **Plastic Surgery Department (PI: Prof Dennis P. Orgill)-
Tissue Engineering & Wound Healing Lab-
Brigham and Women's Hospital- Harvard Medical School**

2008-2010	MSc Degree	Dermatology Skills & Treatment- University of Hertfordshire, UK (I had International Chancellor's Scholarship for this course.)
1997-2005	MD Degree	Medicine, Islamic Azad University– Tehran Medical Branch, Iran
1993-1997	High School Diploma in Experimental Sciences	Danesh High School, Tehran, Iran

Theses

Dermatology specialty training thesis

“Assessing effectiveness of adding topical atorvastatin 1% ointment to topical calcineurin inhibitor treatment for non-segmental vitiligo patients visited at Afzalipour hospital dermatology clinics”. For fulfillment of the Dermatology Specialty Training, presented in 2022 at Afzalipour Hospital’s Department of Dermatology- Kerman University of Medical Sciences; Graded 20 out of 20

MD degree thesis

“The effect of swim stress on tolerance and swim stress-induced analgesia and its interaction with histaminergic system”. For fulfillment of the MD degree, presented in 2005 at Islamic Azad University- Tehran Medical Branch

Master's degree thesis

“Is it recommended to screen for metabolic syndrome risk factors in every patient presenting with psoriasis?” For fulfillment of the MSc degree, presented in 2010 at University of Hertfordshire, Hatfield, UK.

Awards & Scholarships

2023	The 9 th Professor Yahya Dowlati Research Award
2008	International Chancellor’s Scholarship, University of Hertfordshire, UK

Postdoctoral Training

2010-2013	Research fellow	Dermatology (PIs: Prof Yahya Dowlati, Prof Alireza Firooz, Dr Alireza Khatami) Center for Research & Training in Skin Diseases & Leprosy- Iran
2013-2014	Research Scholar	Plastic surgery (PI: Prof Dennis P. Orgill) Tissue Engineering & Wound Healing Lab- <i>Brigham and Women's Hospital- Harvard Medical School</i>

2014-2018	Research fellow	Dermatology (PIs: Prof Yahya Dowlati, Prof Alireza Firooz) Center for Research & Training in Skin Diseases & Leprosy- Iran
2018- 2022	Resident	Resident of Dermatology- Kerman University of Medical Sciences

cellulite and local obesity using acoustic wave therapy (AWT): Reporting 3 cases and used protocol. *Dermatology and Cosmetic* 2013; 4(1):49-60.

Congresses presentations

#1 Assessing safety and efficacy of a mixture of oral finasteride 1 mg, minoxidil 1 mg, and biotin 5 mg in treatment of androgenetic alopecia in males: a single-arm, before-after clinical trial. Accepted for oral presentation for EADV Congress, Paris, France, 17-20 September 2025.

#2 Assessing effectiveness of adding niosomal atorvastatin 1% ointment to topical calcineurin inhibitor treatment in non-segmental vitiligo. Accepted for poster presentation for EADV Congress, Paris, France, 17-20 September 2025.

#3 Leprosy. Oral presentation at 1st National Conference of Neglected Tropical Diseases (NTD), Location: Pasteur Institute of Iran, Tehran, Iran. Date: 5th Jan 2025.

#4 Supplements in Vitiligo. Oral presentation at 23rd Annual Congress of the Iranian Society of Dermatology, Location: Espinas Palace Hotel, Tehran, Iran. Date: 15-17 Jan 2025.

#5 Antihistamines in allergic diseases and pharmacogenomics; presented orally at 1st International Pharmacogenetics Congress, Tehran, Iran; 6-8th November 2024

#6 Erbium YAG for troublesome dilated facial pores: a new approach for an old problem. Oral presentation at 22nd Annual Congress of the Iranian Society of Dermatology, Location: Espinas Palace Hotel, Tehran, Iran. Date: 17-19 Jan 2024. Authors: **Zartab H**, Ghavami Rad H, Firooz A.

#7 Oral manifestations of COVID-19 disease: A review article. 21st Annual Congress of the Iranian Society of Dermatology, Location: Tehran, Iran. Date: 18-20 Jan 2023. Authors: Iranmanesh B, Khalili M, Amiri R, **Zartab H**, Aflatoonian M.

#8 Alopecic & aseptic nodule of the scalp and cutis verticis gyrata- valleys and mountains on the head of a young man: where rarities meet. 19th Annual Congress of the Iranian Society of Dermatology, Location: Tehran, Iran. Date: 15-17 Jan 2020. Authors: **Hamed Zartab**, Behzad Iranmanesh, Rezvan Amiri, Simin Shamsi-Meymandi.

#9 Measurement of basal cell carcinoma dimensions with high frequency ultrasonography and its correlation with histopathology. 20th Congress of the European Academy of Dermatology & Venereology. Location: Lisbon, Portugal. Date: 20-24 Oct 2011. Authors: Nassiri Kashani M, Fanian F, Sadr B, Kamyab K, Mirshams Shahshahani M, Noormohammdpour P, **Zartab H**, Sarraf-Yazdi M, Firooz A.

#10 Botulinum toxin type A iontophoresis for the treatment of axillary hyperhidrosis
20th Congress of the European Academy of Dermatology & Venereology. Location: Lisbon, Portugal. Date: 20-24 Oct. 2011. Authors: Firooz A, Montaser Kouhsari L, **Zartab H**, Fanian F, Sadr B, Nourian N, Firooz F, Nassiri-Kashani M.

#11 Diurnal fluctuation of skin biophysical characteristics: A study of hydration, TEWL, pH, sebum, elasticity and pigment index. 22nd World Congress of Dermatology. Location: Seoul, Korea. Date: 24-29 May 2011. Authors: Firooz A, **Zartab H**, Sarraf-Yazdi M, Sadr B, Naraghi L, Masoudi A, Babakoohi S, Kazerouni-Timsar A, Fanian F, Firooz F, Dowlati Y.

#12 Comparative study of skin sebum and elasticity level in patients with sulfur mustard induced dermatitis. 10th International Congress of Dermatology. Location: Prague, Czech Republic. Date: 20-23 May 2009.

Authors: Davoudi SM, Sadr SB, Keshavarz S, Shohrati M, Naghizadeh MM, Farsinejad K, Rashighi-Firoozabadi M, **Zartab H**, Firooz A.

#13 Comparison of erythema and melanin level in sulfur mustard induced chronic skin lesion with normal skin. 10th International Congress of Dermatology. Location: Prague, Czech Republic, Date: 20-23 May 2009. Authors: Sadr SB, Davoudi SM, Firooz A, Keshavarz S, Shohrati M, Naghizadeh MM, Farsinejad K, Rashighi Firoozabadi M, **Zartab H**.

#14 Skin hydration and trans-epidermal water loss in patients with a history of sulfur mustard contact. 10th International Congress of Dermatology. Location: Prague, Czech Republic. Date: 20-23 May 2009. Authors: Firooz A, Davoudi SM, Keshavarz S, Shohrati M, Sadr SB, Naghizadeh MM, Farsinejad K, Rashighi Firoozabadi M, **Zartab H**.

#15 Endoanal Ultrasonography and Its Correlation with Surgical Findings. 2nd Scientific and Annual General Meeting, European Society of Coloproctology (ESCP). Location: Malta. Date: 26-27 Sep 2007. Indexed in: Colorectal Disease, vol9, issue s3, page13-60, Oct 2007. Authors: Derakhshani S, Joneidi I, Elahi B, **Zartab H**, Vafaie M.

#16 Solitary Rectal Ulcer Syndrome in Children: Report of Three Cases and Review. 2nd Scientific and Annual General Meeting, European Society of Coloproctology (ESCP). Location: Malta. Date: 26-27 Sep 2007. Indexed in: Colorectal Disease, vol9, issue s3, page13-60, Oct 2007. Authors: Derakhshani S, Elahi B, **Zartab H**, Vafaie M.

#17 Extracorporeal Shock Wave Lithotripsy in adults: Results and short term complications. 23rd Annual EAU Congress. Location: Milan, Italy. Date: 26-29 Mar 2008. Authors: Salem S, Mehrsai A, **Zartab H**, Pourmand G.

Current undergoing projects

- ✓ Investigating Rank-RANKL-OPG axis in precancerous and non-melanoma skin cancers (NMSC)
- ✓ Investigating the association between PCL-loaded topical metformin and RANK-RANKL-OPG in non-scarring wound healing: an in vitro and in vivo study
- ✓ Rank-RANKL-OPG axis in dermatologic malignancies, including melanoma
- ✓ Roles of Rank-RANKL-OPG axis in dermatology physiology and non-malignant dermatologic disorders malignancies, including melanoma
- ✓ RCT of safety and efficacy of botulinum toxin type A microneedling in palmar hyperhidrosis
- ✓ RCT on safety and efficacy of adding picosecond 1064 nm Nd: YAG laser treatment to treatment with minoxidil and/or finasteride/dutasteride in men with AGA
- ✓ Rank-RANKL-OPG axis in AGA
- ✓ A survey study on awareness and approaches of dermatologist regarding lab monitoring in patients taking oral finasteride/dutasteride
- ✓ Systematic review on roles of Parkin, LRRK2 in dermatology and their association with metformin

Professional Skills, Abilities and Certificates

- ✓ Reviewer for peer-reviewed Journals including Archives of Dermatological Research, Cosmetic Dermatology, and European Journal of Medical Research
- ✓ APTOS Certificate of Professional Course on APTOS methods
- ✓ APTOS Certificate of Initial Course on APTOS methods
- ✓ Designing, conducting, analyzing and reporting different kinds of studies including clinical trials
- ✓ Scientific writing, including systematic reviews, for publishing in journals
- ✓ Reviewing scientific papers
- ✓ Immunohistochemistry staining for proliferation, inflammation and angiogenesis markers in animal (mice) tissue samples (learned at Brigham and Women's Hospital, Harvard Medical School)
- ✓ Handling and working with laboratory animals (mice)
- ✓ Different noninvasive techniques for measuring cutaneous biophysical characteristics, including high-frequency ultrasonography
- ✓ Certificate of GCP (good clinical practice) Workshop, held at Center for Research & Training in Skin Diseases & Leprosy, Nov 2010

Major administrative leadership positions

2021-2022 Chief Resident of Dermatology, Kerman University of Medical Sciences

2010-2013 **Manager** DermaLab (Pharmaceutical, Cosmeceutical & Hygienic Products Clinical Evaluation Unit),
Center for Research & Training in Skin Diseases & Leprosy

Committee service

2011 Executive Committee for "What is new in Dermatology, Cosmetic & Laser?" Congress, 14-16 Sep2011, Tehran, Iran

2012 Scientific-Executive Committee for "International Congress of Dermatology, Cosmetic & Laser", 10-12 Oct 2012, Tehran, Iran

Professional societies

2008 MENSA International- The High IQ Society

2005-present Permanent Member of Iranian Medical Council

2009-2010 Young Researchers Club- Islamic Azad University

2016-present Member of European Hidradenitis Suppurativa Foundation (EHSF)

2022-present Permanent Member of the Iranian Society of Dermatology

Professional or local academic/teaching positions teaching and training

Laboratory and other research supervisory and training responsibilities

2010-2013 Supervision of research assistants (including training for lab techniques and protocols),
DermaLab (Pharmaceutical, Cosmeceutical & Hygienic Products Clinical Evaluation Unit), Center for
Research & Training in Skin Diseases & Leprosy

2018-present Teaching research methodology to undergraduate and final year medical students and interns

2022-2023 Dermatologist at a teaching university hospital at Taleghani Hospital, Urmia University of Medical Sciences

2023-current time Dermatologist; regularly giving lectures for dermatology residents and medical student externs at the
Center for Research & Training in Skin Diseases & Leprosy (CRTSDL), Tehran University of Medical
Sciences (TUMS)

Language Skills, Software familiarity and Favourites

Languages

English: Fluent;

TOEFL iBT score: 100 (Nov 2015)

IELTS overall band score (September 2011): 7.5 (Speaking 8, Reading 7.5, Listening 7.5, Writing 7)

TOEFL iBT score: 107 (Nov 2007)

GRE (Graduate Record Exam) score: 1060 out of 1600 (Nov 2008)

French: speak, read, and write with basic-to-intermediate competence

Italian: speak, read, and write with basic-to-intermediate competence

Persian: vernacular language

Software Familiarity

MS Word, PowerPoint, SPSS, EndNote, Skin Surface Analyzer®, Visioface®, Visioline®, MPA 580® and DUB-USB®, ImageJ

Favourites & Miscellaneous activities

Swimming, football, futsal, guitar playing, painting, poetry
